

COCOON AERIS

The Aeris Cocoon contemporary fireplace is a suspended design piece that incorporates full adjustability in a modern hanging fireplace.

It has endless possibilities.

The stainless steel version can be converted into an entertaining drinks server by filling it with ice.

The Stainless Steel Hanging System is 142cm fully extended, adjustable to 6 different heights and can be rotated 360°.

The Black Hanging System is 202.5cm fully extended, adjustable in lengths of 25cm, but 360° rotation is not available.

It can also convert into the Pedestal Cocoon.

Available in Matte Black and Marine Grade Stainless Steel.
