GAS LOG FIRES
FREESTANDING & INBUILTS

why choose Regency?

An exceptional fire, custom elegance and controllable heat are just a few reasons to make a Regency fire part of your family.

In 1979, I founded Regency Fireplace Products with a mission to produce the finest fireplace products available anywhere. As a result, Regency has been honoured with awards for exceptional aesthetics and performance and is known as the premium brand around the world. We have been dedicated to providing Australia & New Zealand with Regency fires for over 20 years: committed to creating products that promote comfort and peace of mind.

I am so confident in the quality workmanship, the finest materials and durable heavy-duty construction invested in each and every product, that I offer a Limited Lifetime Warranty. Invite the comfort, efficiency and style of a Regency gas or wood fire into your home and enjoy quality time for a lifetime - I guarantee it.

Robert Little

F38/FG38/FG39 gas log fires

Cosy Convenience

These Regency gas log fires feature the finest, most realistic gas fire available. Enjoy the exceptional flame through the wide one piece glass door designed to showcase the glowing flames and embers. Choose manual or electronic ignition and one of two flue options to ensure the right Regency for your home.

Standard Features

- Black louvres
- Two speed fan (F38)
- Three speed fan (FG38 & FG39)
- Direct vent flue system (FG39)

F38 7.7kW 38MJ NG / 6.4kW 31 MJ LPG
 FG38 8.1kW 38 MJ NG / 31 MJ LPG
 FG39 8.4kW 40MJ NG / 7.9kW 38 MJ LPG

Optional Features

- Brushed nickel louvres
- Gold louvres
- Basic or advanced remote control (F38)
- FireGenie® remote control (FG38/FG39)
- LPG Conversion Kit

Above: F38/FG38/FG39 shown with optional brushed nickel louvres

Gold louvres

accessories

FireGenie® Remote Control (for electronic units only)

- Electronic ignition - no pilot light
- 7 day programmable times
- 2 time zones per day
- Radio frequency
- Thermostatic control
- Adjust flame & fan from remote

Advanced RF Remote Control (for manual units only)

Choose the Advanced Radio Frequency remote control/thermostat featuring 7 day programming and not only make your Regency gas inbuilt more convenient but you can actually save on running costs while maintaining your comfort level.

AstroCap™ (for direct vent horizontal termination only)

The patented AstroCap will finish off the flue system on the outside of your home making it far more attractive than traditional flue systems. The AstroCap can even be painted to match your home.

AstroCap™
