MR STOVES

Vogue Navara

The pinnacle of functionality and design in modern wood heating.

The Vogue Navara combines practicality and style to offer a wood heater that is unlike any other. With its unique pressurized firebox technology, the Navara is both the fastest and easiest starting fireplace on the market. Years of manufacturing knowledge have culminated in it being awarded a prestigious Australian Design Award.

FEATURES:

- Perfect for Medium to Large Houses
- Pressurized Firebox Technology
- 3 Speed Fan
- Optional Inbuilt Ash Drawer for ease of cleaning
- Large firebox allowing for overnight burn times
- Highly Efficient
- Complete Convective Design
